

To The Dealer.

This form "Prepared Paint" will be found very convenient, saving Time and Labor, and avoiding the dirt incident to mixing small quantities of Paint as called for.

Our Prepared Paints embrace the colors mostly in use for household purposes. The dealer will appreciate the advantage of a small line which obviates the necessity for carrying and annoyance so frequently experienced with large stocks.

—CAUTION—

Notice the words "Prepared Paints" which constitute our

TRADE MARK.

All others are imitations of the Genuine Article.
